

How The Salvation Army helps at Christmas

The Salvation Army in the UK & Ireland demonstrates Christian principles through practical support offering unconditional friendship and help to people of all ages, backgrounds and needs. With many people in our communities unable to afford life's basics, The Salvation Army is working to bring some comfort and joy to the people most in need this Christmas. Here are just 10 ways our church and charity will be helping people over the Christmas period:

1. Serving hot meals and providing a safe place to sleep for people who have been sleeping rough on the streets.
2. Serving Christmas lunches for people who may be isolated and spending Christmas on their own.
3. Delivering Christmas food parcels to families in need and people who may have lost their jobs or are struggling financially.
4. Providing accommodation and tailored support to give people who have been made homeless a fresh start in life.
5. Providing spiritual and emotional support and comfort for older people who are housebound and lonely at Christmas.
6. Supporting families by providing Christmas presents for children who might otherwise not get any gifts.
7. Supporting our emergency services at scenes of major disasters, fires or accidents.
8. Providing a safe haven and support for victims of modern slavery.
9. Spreading the joy of Christmas in our communities with Christmas carols.
10. Offering comfort and companionship to people who are lonely or distressed at Christmas.
11. Helping families with rising energy costs to keep warm this winter by providing warm places to meet for a few hours.

Your support helps thousands of people in need at Christmas. Thank you.

Salvation Army gifts for everyone this Christmas

It is my privilege to bring you our Christmas 2023 range, packed full of wonderful cards and gifts. I hope you enjoy browsing through these pages and planning ahead for Christmas.

Due to the popularity of our Christmas cards, we have expanded our range. Choose cards with a religious verse celebrating the birth of Christ, or our beautiful watercolour classics featuring The Salvation Army. We also have cards with artistic designs and winter wildlife scenes– whatever you select, I'm sure it will bring joy to your loved ones this Christmas.

For the first time, we have included items from the **Others** range in our Christmas catalogue. **Others** is The Salvation Army's initiative for trade that promotes hope and helps to support Artisan communities in Bangladesh and Kenya. This range enables people to develop skills and help their local communities thrive. See more on pages 24 and 25.

Dare to Care has been a strong theme amongst colleagues here at the trading arm of our parent church and charity, where we have encouraged each other to care more for the people around us, closer to home and, also, further away. Christmas gives us all a wonderful opportunity to show how we care, and also to care for ourselves.

Remember, you are always welcome to pop into one of our Salvation Army shops or churches nearby and join in our Christmas celebrations. I wish *you* a joyful Christmas.

CLEAN WATER FOR LIFE

Clean water transforms lives! It leads to improved health, access to education and income generation.

With this gift you could support the construction of a sand dam in Kenya - providing its surrounding communities with access to clean water for up to 100 years!

100370

LITERACY AND LIFE SKILLS

For women living in the brothels of Jessore, Bangladesh, the lack of literacy and life skills can keep them trapped in poverty, debt and exploitation. Gaining these skills is more than just learning to read; it is an understanding of basic human rights and the opportunity to protect themselves.

101133

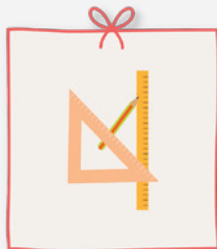

FOOD VOUCHER

People fleeing violence in Ukraine have sought refuge in neighbouring countries and beyond. The Salvation Army is providing practical support through food vouchers, giving people the opportunity to purchase the items they need with choice and dignity.

101890

STATIONERY SET

During their time at The Salvation Army's Anti-Trafficking Recovery Centre in Tanzania, girls who have been trafficked or are vulnerable are given emotional and practical support. Whilst at the centre, girls attend school and learn skills such as tailoring and entrepreneurship. This gift could pay for a girl's school supplies.

100378

BAG OF SEEDS

When you only have a small plot of land, you need to make the most of it. The Salvation Army in Burkina Faso facilitates training in simple and sustainable farming techniques so that small-scale farmers can grow their knowledge and grow more crops too. This gift could provide a large bag of seeds and the hope of plentiful harvest.

CREATING JOBS TO END POVERTY

Others is a Salvation Army initiative using fair trade principles to create jobs and contribute to empowerment and poverty alleviation. We sell beautiful products that are carefully handcrafted by our artisans in Bangladesh and Kenya.

Others artisans are engaged through relationships with local Salvation Army programs that focus on economic development in rural and urban settings. Examples include self-help groups focusing on women's empowerment and projects for rehabilitation of sex workers or trafficking victims.

Through training, flexible working conditions and fair wages, our aim is to help our artisans to become more independent, helping them to provide for their families, improve their living conditions, and put their children through school. When supporting Others, you contribute to sustainable development in Bangladesh and Kenya.

This year we are celebrating the 25th anniversary of Others. We wish to celebrate the meaningful impact Others has had on the lives of countless artisans and their families.

Please visit www.sps-shop.com/others to check out the amazing Christmas decorations, kitchen, dining and interior ranges that are available to purchase.
